PROBA SCRISA 70p / PROBA ORALA 30p

Partea I (5p x 3 = 15p)

A. Read the following text aloud:

Helping your parents in the kitchen is fun! You can make simple things like sandwiches, or try interesting recipes from your grandmother's cookbook. You learn about fruit and vegetables, meat and other ingredients. Cooking can help you improve your Math results! When you cook, you need to count and measure the ingredients, then work out how much time it takes for the food to be ready. You also learn how to cut the ingredients into different shapes.

B. Answer the following questions:

1. What can you do in the kitchen to have fun?
2. What do you learn when cooking?
3. How can cooking improve your Math results?

Partea a II-a (15p)

In pairs, talk together about your hobbies.
