SUPERHEROES

People love reading stories about heroes. Heroes are strong, brave people who help others. Today we can read stories and watch films about superheroes.

Superheroes have special powers which they use to do good things like helping people and fighting crime. They usually wear special clothes, like a cape. Sometimes they wear a mask so no one knows who they are. Some superheroes use gadgets, like Spiderman's web shooter.

Modern superheroes start as stories in comic books. Superman is one of the first famous superheroes. He can fly and he is super strong. He is very fast and no weapons can hurt him. The only thing that can hurt him is a rock from his home planet.

Sometimes superheroes have friends who help them. These friends are called "sidekicks". One of the most famous sidekicks is Robin from "Batman and Robin". The most interesting fact about heroes is that sometimes they group together like Iron Man, Captain America and Thor in the Avengers.
