Read the following text:

Life under water in Fairyland

Life under water in Fairyland is fantastic. There are schools, restaurants, cinemas and a lot of other places where you can spend your free time with your friends. Sea creatures have special powers and can do the same activities as people. They can talk, walk and dance. If you don't believe me, meet my friends, Miss Helen, Mr. Peter and Karen.

Miss Helen is an octopus and a Maths teacher. She usually teaches children, but at the moment she is playing table tennis with her friend, Katie.

Mr. Peter is a seahorse and a police officer. He always works in a police station, but now he is playing basketball with his brother.

Karen is a starfish and a painter. She always paints corals, but at the moment she is playing the violin.
