Read the following text and answer the questions:

CINDERELLA

Cinderella is a good girl who lives in an old house with her two ugly and bad sisters and her step mother.

One evening her two sisters go to a big party at the palace. They have beautiful dresses and they are very happy.

Cinderella stays at home and works in the kitchen. She is so unhappy. Then a fairy comes and gives her a wish. She wishes she can go to the party and she does. She meets a prince at the party and dances with him. She leaves the party at twelve o'clock at night, but she loses one of her glass shoes. The prince finds the shoe and the next day he looks for the girl. Every woman from the city tries the glass shoe, in this way he finds Cinderella. They marry and they are happy forever.
