Read the following text:

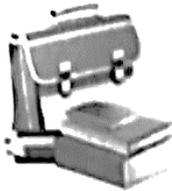

Welcome to Dino's planet! Dino is a baby dinosaur. It has got a green planet full of trees and rivers. Its name is Donia. Dino is the only dinosaur in the world and it loves animals. On its planet there are a lot of animals but there aren't many people.

On Donia animals are free and people live in cages. In the morning the lions feed the women and in the evening the elephants feed the men. Children walk in the forest all day. They eat fruit all day long. Children don't go to school, but they play with baby elephants in the morning and with baby monkeys in the evening. Men always go to work and women usually stay in their cages.

Animals are very happy on Dino's planet! They are always free, they walk and run all the time.

SUBIECTUL III

My favourite hero

My name is Alex and I love watching cartoons!

My favourite superhero is Spiderman. He wears a special red and blue costume and he has superpowers. He can run and climb very fast. He can also stick to walls and jump from tall buildings. Spiderman always fights against evil and save people's lives.

I usually watch my favourite cartoon in the evening or at the weekend.

Spiderman is cool!
