I usually spend my summer holiday at.....

.....

with .....

We ..... and we have fun!

I love summer holiday because.....

.....

.....

It makes me feel so happy!

WORDS.....

## MODEL ANSWER

My name is Eva and I love summer holiday!

I usually spend my summer holiday at my grandparents in the countryside with my sister and my cousins. We help our grandparents with the gardening, take care of the animals, play in the garden and have fun!

I love summer holiday because we have a long holiday, we do not go to school and we can go to the mountains and to the seaside.

It makes me feel so happy!
