## MODEL ANSWER

My name is Ana and these are my daily activities!

In the morning I usually wake up at 7 am. Then I go to the bathroom and wash my face and brush my teeth. I always have breakfast at 7:20, then I get dressed and go to school. In the afternoon I come back home and have lunch at 1 pm with my sister. Then I watch TV for an hour or play with my dog.

In the evening I do my homework and play with my sister.

Sunday is my favourite day because we always visit our grandparents in the countryside.

I love Sunday

It makes me feel so happy!
