MODEL ANSWER

My name is Alessia and my favourite wild animal is the fox.

It lives in the forests and on the fields and eats small animals, rabbits and chickens.

I has got red fur and a long busy tail.

The foxes can hear sounds and smell from long distances. They are also very curious and playful!

I like the fox because it is a very interesting animal.

People say it is sometimes dangerous.

We can often see it on TV, at the zoo and in the countryside.

It's so interesting!
