

MODEL SUBIECT 4

Read the following text and answer the questions:

We all know April Fool's Day is a day when we play tricks on one another, but each country has a different way of doing things:

IN ENGLAND

They only play jokes in the morning. It is bad luck to play a joke on someone after noon.

IN FRANCE

School children stick a picture of a fish on each other's backs and shout 'April Fish'!

IN INDIA

People play tricks and throw paint on one another to celebrate the beginning of spring.
